Int. Filing Date: 11 March 2005
Priority Date: 13 March 2004
Attorney Docket No.: 010-0013
For: System And Method For Providing Multi-
Resource Management Support In A Cluster Environment

DECISION

This is with regard to the correspondence filed on 15 October 2008.

BACKGROUND

In a Decision mailed on 15 May 2007, it was indicated that treatment of this application as the national stage under 35 U.S.C. 371 of PCT/US2005/008289 was proper.

On 27 August 2008, a Notification of Abandonment (Form PCT/DO/EO/909) was mailed to applicants, indicating that this international application had become abandoned with respect to the national stage in the United States for failure to reply to a Notification of Missing Requirements (Form PCT/DO/EO/905) mailed on an unspecified date.

DISCUSSION

The correspondence filed on 15 October 2008 includes cover sheets stating that "attached are the paper that were filed on 8-11-2006," and "attached are further papers that were filed on 8-11-2006." The correspondence does not include, e.g., in the form of a properly signed petition, a clear statement of what relief, if any, applicants are seeking.

However, review of the electronic records of the USPTO, including the electronic application file, does not show that a Notification of Missing Requirements (Form PCT/DO/EO/905) was mailed in this application. As such, it appears that the Notification of Abandonment (Form PCT/DO/EO/909) mailed on 27 August 2008 was issued in error; accordingly, it is hereby **VACATED**.

DECISION

The holding of abandonment is **WITHDRAWN**.

This application is being returned to the Office of Patent Application Processing for further treatment as the national stage under 35 U.S.C. 371 of PCT/US2005/008289.
